Dear Parent,

Our school is always concerned about students' wellbeing and their education. We will continue our endeavour of providing quality online education in spite of all odd circumstances due to COVID-19. The School staff's role is appreciable as even during this difficult pandemic time, they are working extremely hard from home to provide online education.

It is worth to mention here that unlike most of the schools, where single teacher is meeting the class, at Banasthali, around 2 to 3 extra teachers are provided to help the Main Subject Teacher for maintaining the Discipline, taking attendance of students etc. so as to provide the Best Study Environment to your ward.

It's not just the studies, but all the co-curricular activities including the activities suggested by CBSE / Education Deptt. and all the Festival Functions are being celebrated ONLINE in far better way.

However, this is possible only with the cooperation of the parents, who are clearing the outstanding Tuition Fee Dues of their wards on time, that the school is able to pay the monthly Salaries of its Staff. We are extremely thankful to such parents.

On one hand, where school is putting all best possible efforts for quality education, some of the parents are not cooperating by not clearing the Fee dues and even are creating problems to distract the process of online classes/education, knowing the fact that their own wards are being benefited by attending these online classes. In the interest of students, such activities are not at all acceptable.

Director of Education, vide order dated 18.04.2020 directed the schools to charge Tuition Fee on monthly basis from the parents during the lockdown period so that school can ensure monthly payment of salary to the teaching and non-teaching staff.

**Presently Hon'ble Delhi High Court issued a direction regarding payment of Tuition Fee vide its Order No. W.P.(C) 4011/2020 dated 08.07.2020, that where parents are in default for payment of Tuition Fee, school is free to decline to provide ID & Password for online education facility to the students, unless a valid reason in writing, along with the proof, is communicated by the parent.**

In view of the above, **parents are requested to pay the outstanding Tuition Fee Dues latest by 27<sup>th</sup> November, 2020 failing which the school shall be compelled to take necessary and appropriate action in accordance with the prescribed rules of DSEA&R, 1973 and High Court Ruling.**

Stay at Home!! Stay Healthy!!
