Circular No. BPS/20-21/12

(For Classes Prep-V)

Dated: 04.07.2020

Dear Parent

As all the students have spent the summer vacation to relax and rejuvenate themselves and are now physically and mentally geared up to attend to their studies mindfully and wholeheartedly.

The Online teaching for the classes will resume w.e.f 7th July 2020(Tuesday) onwards in accordance to the schedule and Time Table, which will be uploaded on School Website (<http://banasthalipublicschool.com/download-year.php>) and Snap Homework.

We hope that all the students must have finished their Holiday Homework nicely and also have revised the syllabus covered so far thoroughly for the upcoming Unit Tests. Keeping in view that students might be having some doubts and queries about the syllabus covered/ Holiday Homework, the school will organize a “Doubt Clearance Class” for the students on the very opening day of their respective class. So students should be ready with their queries.

Whatever study / teaching material / homework is given to your ward must be done on regular basis and in the school note books only. The parents are requested to SUPERVISE their children and ensure that all work is regularly and completely done. Under the prevailing circumstances, it is not possible for the teachers to carry out the task of physical checking of notebooks so, this responsibility of maintaining up-to-date work in the notebooks lies with parents.

We would like you to acknowledge & appreciate the hard work of our revered teachers by at least paying your ward’s School fee timely. You are requested to clear outstanding Fees / other dues (if any) on immediate basis.

Students should be **punctual** to the classes and take them seriously. Topics/Chapters taught during these sessions will not be repeated.

We are sure of your active supervision and vigilance in keeping an eye on your ward’s regularity in studies.

Assuring you of our ready co-operation at all times.

Happy Learning!! Stay at Home!! Stay Safe!!

Principal
