Compendium of Academic Courses After +2

Dear Parent,

Greetings from Banasthali family!

This is with reference to **CBSE – Compendium of Academic Courses after Class XII**. CBSE has prepared a wonderful booklet of 122 pages (**link mentioned below**) for those children who are in Class XII. It has been informed that after XII, there are 113 such areas where students can get higher education according to their own interests. There is complete information about the educational institutions available for different courses.

The compendium of courses after XII, is an earnest effort of the Board to facilitate students in searching for right course choices. While all care has been taken to provide information, although in brief, about the traditional, popular and new age courses, yet it may not be as comprehensive considering that there are an estimated 900 universities and over 41,000 colleges in the country providing higher education and teaching a plethora of subjects. The intention is limited to create awareness among the students.

The link for the booklet is below:

<http://scert.cg.gov.in/pdf/misc/career/CBSE-Career-guidance-4417318e-5274-4002-8199-d54357c70f5a.pdf>

Parents are requested to kindly go through the above link and make their children aware of the courses available after Class XII as per their interests.

Happy Learning! Stay Safe!

Principal
