Dear Parent,

As we know that the Covid-19 pandemic has highlighted the importance of **Hand Washing** for reducing the spread of disease and protecting health.

In this regard, **The Department of School Education & Literacy, Ministry of Education, Government of India** has issued a circular on dated 15th October, 2021 and has decided to observe **“Global Handwashing Day (GHD)-2021”** to highlight the significance of Hand Washing with soap as Hand Washing with soap is critical for prevention of transmission of the germs during the ongoing phased re-opening of schools.

The theme for GHD -2021 is **“Our Future is at Hand – Let’s Move Forward Together”**. It aims to mobilize and bring hand hygiene as a fundamental component of public health and safety.

School will be organizing a **Virtual Discussion** regarding the importance of Hand Washing on **23rd October 2021 (Saturday)** during Online class.

Let’s follow the inclusive principle of “Leaving no one behind” by making this practice of hand Washing passed to different community helpers around us.

Let’s Learn & Grow Together!
