Dear Parent,

Science is omnipresent, intricately woven into the fabric of our daily existence and driving the innovation of cutting-edge technologies. It explores natural phenomena based on factual evidence and then develops new technologies to improve our lives. Science education not only cultivates critical thinking and problem-solving abilities but also ignites a profound curiosity about our environment, inspiring a lifelong pursuit of knowledge and discovery.

Furthermore, **Commerce** acts as the catalyst for economic advancement, propelling innovation, growth, and prosperity. Studying Commerce cultivates expertise in business management, financial accounting, economics, taxation, and other pivotal fields, laying a robust foundation for professional success and leadership in the business world

In order to encourage our young Banasthaliens to embrace challenges and enhance Hands-on or applied learning, '**SCIENCE & COMMERCE WEEK**' is being observed from **29th July, 2024 to 03rd Aug. 2024** with the Theme:

"THE SCIENCE EXTRAVAGANZA & COMMERCE CONNECT, WHERE IMAGINATION MEETS REALITY!",

The School is organizing a **CARNIVAL** with the said theme on **03rd August, 2024 (Saturday)** in the school premises from **09:30 a.m. to 12:30 p.m.**

The primary goal of this Science Extravaganza & Commerce Connect Carnival is to offer students a platform to showcase and articulate their comprehension of ideas. It nurtures students' social insight and presentation abilities. By encouraging them to think creatively and devise solutions for real-world challenges, it empowers students to innovate and push boundaries, paving the way for future leaders and problem-solvers.

In this regard, you are cordially invited to pay your kind visit to the school on 03rd August, 2024 (Saturday) and grace the occasion to encourage the efforts put by our budding Scientists as per the schedule given below:
