

BANASTHALI PUBLIC SCHOOL
SUMMER HOLIDAY HOMEWORK, SESSION 2024-25

Circular No. BPS/24-25/13(XI Comm. & H)

Date: 24.05.2024

CLASS – XI (COMMERCE & HUMANITIES)

The summer days are back again!!
And its vacation time again!
There's sun and shade
And water to wade
Time for some fun and frolic
With ice creams to lick
Activities to indulge in
Places to explore
Yes!! It's vacation time again!!!

Dear Parents

We believe children are natural learners and have an innate curiosity. They take pleasure in discovery. Hence, we have made an endeavour to induce and enhance thinking skills in them by making them be actively doing things for themselves. Through a lot of physical activity, movement, exploring and first-hand learning by doing things on their own, we facilitate that their learning goes into their long-term memory. We are sure you are there with us in this endeavour of ours.

SUMMER VACATION of the Session 2024-25, for the students of **CLASS XI** will commence from **27th May 2024 (Monday) to 30th June 2024 (Sunday)**. The classes will resume from **01st July 2024 (Monday)** onwards. However, the **school office** will remain open from **8:30 a.m. to 12:30 p.m.** on all working days during summer vacation.

Dear Student

Summer vacation is that time of the year when we have the time of our life. We relax, spend time with our family and friends and visit places galore. It's also the time to explore our talents, learn new skills and engage in different activities.

Some suggestions to make the summer break time more special and exciting for you.

1. Learn a new sport or skill and engage in physical activities.
2. Learn dignity of labour by doing things yourself.
3. Plant a sapling and take care of it.
4. Spend quality time with your family members.

GENERAL INSTRUCTIONS:

1. Complete the C.W./H.W. of all the subjects, in the respective subject notebook in neat and clean Handwriting, if still pending.
2. Holiday Homework will be a part of Internal Assessment. It must be done properly according to the instructions given by the teachers. Beautiful and systematic work will carry extra marks.
3. After summer vacation, the Summer Holiday Homework Notebook/Scrapbook/Project File/Lab Manuals (which-ever applicable) must be submitted in the School for Internal Assessment.
4. Parents kindly make sure your ward completes all the work assigned. Work to be done on regular basis.
5. Do project work of all subjects in respective Notebook provided in the Book set.

Wishing every child, constructive holidays!

Subject Name	Details
English	Complete the Assignment given in Annexure I in class work register.
Accountancy	<ol style="list-style-type: none"> 1. Prepare a Diagrammatic presentation on topic "Advantages and Limitations of Accounting" in A-4 size sheets. 2. Collect and paste any four Source Documents in Project file and give explanation to each Source Document in 30 to 40 words. 3. Do all objective type questions of Ch. 6 in text book itself. 4. Do additional questions from text book of Ch. 6 Accounting Equation in Class Register-(II) only (Pg. No. 6.31 to 6.33, Q.22-Q.29) in respective notebook. 5. Learn & Revise the whole syllabus covered in the class so far.
Informatics Practices	<ol style="list-style-type: none"> 1. Learn all solved questions of Chapter 1, 2 and 3 given in the text book exercises. 2. Complete following Practicals along with their output in the Practical file: <ol style="list-style-type: none"> (a) Program to display "WELCOME TO PYTHON" on output screen. (b) Program to take two numbers from user and find their sum. (c) Program to take three numbers from user and find their average. (d) Program to perform mathematical operations on two numbers. (e) Program to display area of circle.
Mathematics	<p>Do MCQs, Assertion Reason and Case Study of following chapters in assignment notebook:</p> <p>(a) Ch. 1: Sets (b) Ch. 2: Relations and Functions (c) Ch. 5: Linear Inequality</p> <p style="text-align: center;"><u>Lab Manual Activities</u></p> <p>Complete the following Lab manual activities in Lab Manual:</p> <p>(a) To represent theoretic operations using Venn diagram. (b) To verify that for two sets A and B $n(A \times B) = pq$ and the total number of relations from A to B is 2^n</p>
Physical Education	<p>Learn & Revise the whole syllabus covered in the class so far.</p> <p style="text-align: center;"><u>Practical Work</u></p> <p>Write Practicals 1 to 3 in the lab manual. - Q15.** Pooja is running a small scale business of manufacturing decoration items in Shimla. Every year she contributes 10 percent of her profit to Helping Hand, a popular NGO in Chandigarh which supports the programs based on senior citizen's healthcare and carrying out activities for them in the hospitals such as entertainment programs, festival celebrations and many more day to day activities.
(a) Identify and explain the type of objective of business being fulfilled by Pooja providing financial help to Helping Hand.
(b) Also, explain any two other objectives of business of the same type as identified in para **(a)** of the question.
- Q16.** Ahmed Pvt. Ltd., is a reputed company manufacturing computers. The company is earning a considerable profit. Both the proprietors and the employees are putting their best efforts to make good quality products available to the customers at a low price, paying its shareholders a good amount of dividends and employees a reasonable remuneration. This contributes to the successful operations of the business. With increased profits over the time, the company's foundation becomes strong, and it earns a good reputation in the society. It utilises its profits to finance its growth and expansion requirements. Explain the role of profit in business carried by Ahmed Pvt. Ltd., by quoting the lines from the above para.
- Q17.** Isha after completing her MBA realised that her family needs extra income, as her father was about to retire. So, she decided to set up a garment manufacturing unit. She received order for 500 shirts. Isha started purchasing raw materials from local suppliers and completed first order of shirts. As she completed the order on time, the other showrooms also started giving orders to Isha on regular basis. Her hard work and sincerity resulted in huge profits and led to the growth of the business. After two years, there were communal riots in her city due to which her profits were adversely affected and availability of labour also became tough and Isha started suffering loss. After analysing the situation for few months, she decided to shut down the business. Identify the different features of business discussed in the above case. Also, quote the lines for the identified features.
- Q18.** Compare business with profession and employment. (Any 5 points)
